

Wanted show jumpers

WHY???

To participate as a test subject on my thesis research to obtain the diploma Master of Science in osteopathy.

For my research I, Geert Laenen, am looking for test subjects who want to participate voluntarily in the pilot study:

"The effect of manual techniques on the psoas muscle for rider sitting balance, tested on the Therapeutic Equine Simulator System."

The testing sessions take place by appointment at Reitenhof, Reiten 35, B-2440 Geel.

The total duration of a test is approximately 60 minutes.

To be eligible to participate, you must be between 18 and 48 years old. Have actively participated in national / international competitions for at least 36 months. The complete list of conditions and the set-up of the study can be found on the link

<https://www.beweegplus.com/showjumper> or contact me on my e-mail:

geert.laenen@ki-os.be

As a participant, you will receive a free report about your balance analysis with printout worth € 70 after the test.
